Specialist Orthodontist

Welcome to my practice. I believe that a smile is more than just a set of teeth—it is your most powerful form of self-expression. I am Dr. Abin Mathew, a Specialist Orthodontist with over **8 years of clinical experience** across India, Saudi Arabia, and the UAE, dedicated to blending clinical precision with an artistic eye to create smiles that are as healthy as they are transformative.

With a Master of Dental Surgery (M.D.S.) in Orthodontics, I have spent my career mastering the delicate balance of dental aesthetics and structural alignment. My international experience has allowed me to treat a diverse range of patients, and I am proud to offer care in **English, Hindi, Malayalam, and Tamil**, while maintaining a strong working proficiency in **Arabic** to ensure every patient feels comfortable and heard. My approach is rooted in the belief that orthodontic treatment is a collaborative journey; my goal is to guide you through that process with clarity, comfort, and the highest standard of care.
